Dear Sir

TEMPORARY ROAD CLOSURES: VARIOUS LOCATIONS ACROSS RYEDALE

Please find attached plans showing temporary road closures, indicated by "XXX" and, where appropriate, the associated diversion routes.

It is anticipated that the roads will be closed for five-days at each site during the period 17 September 2012 to 29 March 2013. The reason for the closures is the protection of the workforce and travelling public during carriageway surfacing works. Pedestrian access to affected premises will be maintained at all times with vehicular access maintained whenever possible.

For further information, please contact John Putsey in this office.

Yours faithfully

Philip Sharp
Traffic Management & Development Control Engineer
