

Friends of Malton Museum Lectures

An exciting first for the Friends - in this time of restriction on all types of meetings one of our speakers has very kindly offered to do a ZOOM lecture for us with the opportunity to ask questions too.

On 21st October at 7.30p.m.

Alan Hunton of the Woodland Trust will give his lecture on

Ancient Trees in Yorkshire

This is available to all Friends of the Museum, to join us for this lecture email Andy Nicholson on malton.museum.friends@gmail.com and tell him you wish to be invited. You need to let Andy know by Monday 19th October.

In turn you will receive an email from Andy inviting you to join the lecture. Just click on the link and follow the instructions. We hope that this lecture is available after the event, should everything go to plan.

The Friends of the Museum will make a donation to the Woodland Trust for this lecture.
